M1/J28 is one of the most important logistics locations in the East Midlands, as it is almost equidistant between Birmingham and Manchester, the UK's second and third largest cities. The scheme sits to the east of the junction, fronting the A38, which links it directly to Birmingham via Derby. The M1 link puts both Sheffield and Nottingham within easy reach.

Panattoni Park J28 benefits from 15m clear internal height, two storey hub office and 50m yard. The unit has achieved BREEAM rating of 'Very Good', and EPC rating of 'A'.

Central M1 230 is now ready for immediate occupation.

All the skills and affordable bills

Ashfield and Mansfield has a working age population of nearly 144,000, and nearly 3 million people live within a 45 minute drive to work time. At 23% below the national average, wages are highly competitive. The legacy industries concentrated within a 30 minute drive time of J28 are principally linked to the coal, textile and engineering industries which provides an engaged male and female skilled and non skilled labour force. Ashfield and Mansfield has a good local skills base and is a strategically important location.

71% of the UK can be reached within **4.5 hours**
